2. There is attached a memorandum from the Chief, Printing Services Division, OL, pertaining to the request by the Director of Security that the Office of Logistics undertake the production of color photographs for Agency personnel badges. It is further stated that additional personnel may be required although the Printing Services Division can begin the project with existing personnel. The Director of Security indicates that, because of security reasons, this printing should be done in Agency facilities.

3. In view of the cost of the necessary equipment, the possibility of the need to increase the personnel ceiling of the Printing Services Division, and the program for economy in the Agency, your approval is requested prior to the undertaking of this program by the Office of Logistics.
